HOW TO RESOLVE A COMPLAINT OR DISPUTE

1. Talk to us first

If you have a complaint, the first thing you should do is speak to one of our staff. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

If the staff member or claims officer are unable to resolve the matter for you, you may speak to a manager. The manager will usually provide you with a response to your complaint within 15 days. If the timeframe is impractical for any reason such as the need for more information or further investigation, they will discuss with you alternative timeframes.

If you are not satisfied with our response or we cannot agree with you on alternative timeframes, you can go to step 2.

2. Seek a review

If the matter is still not resolved the manager will refer you to the relevant dispute handling department or area who will conduct a review of your dispute and will usually provide you with a response to your dispute within 15 business days.

If the timeframe is impractical, we will discuss with you alternative timeframes.

If you are still not satisfied with our response to your dispute or we cannot agree on alternative timeframes, you can go to step 3.

3. Seek an external review

You are entitled to seek an external review of our decision. We will provide you with information about options available to you, including, if appropriate, referring you to the external dispute resolution scheme administered by the Financial Ombudsman Service Limited (FOS).

You will not be able to have your dispute resolved by the FOS if you are not eligible under the FOS's Terms of Reference.

Further information about our complaint and dispute resolution procedures is available by contacting us.

- one of our products;
