This SGIC Boat Insurance Premium, Excess and Discounts Guide should be read with the SGIC Boat Insurance Product Disclosure Statement and Policy Booklet (PDS) (SA) Edition 2, dated 31 December 2004.

It applies to policies issued with a boat kept in South Australia with a commencement date of 8 September 2013 or a renewal effective date on or after 21 October 2013.

This guide provides further information about the cost of your insurance and excesses you may need to pay if you make a claim.

\* Call us on 133 233 for information about policies issued with a boat kept outside of South Australia.

## How we work out your premium

Your insurance premium is based on the likelihood of a claim being made on your policy in the future. There are a number of factors we take into account when determining your premium. We calculate your premium by combining the:

- ▶ Pricing factors
- ▶ No Claim Bonus
- ▶ Policy options
- ▶ Loyalty Discount, and
- ▶ Government charges.

## Pricing Factors

The premium you pay for your insurance reflects the likelihood of you making a claim together with the potential value of any claim. So, if you have a lower chance of making a claim then you will generally pay a lower premium compared to someone who has a higher chance of making a claim.

Our experience shows there are a number of factors that are a good indicator of the possibility of a claim being made. We call these pricing factors.

For Boat Insurance policies the following table describes the pricing factors we may take into account to determine your premium.

Pricing Factors	Boat Insurance
How and where your boat is kept	✓
The amount your boat is insured for as shown on your current Certificate of Insurance	✓
The age of the youngest operator	✓
The type of boat	✓

## No Claim Bonus

A No Claim Bonus is a reward for a good insurance record. We reward you with a reduced premium, based on the number of years of claim-free insurance.

You may be entitled to a No Claim Bonus, depending on the number and type of boat claims you have made.

### The No Claim Bonus levels are:

- 20%
- 15%
- 10%
- 0%

### How does No Claim Bonus work?

Each year at renewal, you automatically move up to the next level of No Claim Bonus if you do not make a claim in that policy year.

If you make a claim for something that is not your fault and you can provide the name and residential address of a person that we agree is responsible, your No Claim Bonus will not be affected.

Otherwise, if you do make a claim in a policy year, you will move down two levels of No Claim Bonus on renewal.

## Policy options

### Pay by the month

You can choose to pay by monthly instalments by paying an additional premium. This amount will be shown on your current Certificate of Insurance.

## Loyalty Discount

Your Loyalty Discount is based on how long you have had a relationship with us and how many eligible policies you have. The longer you maintain your continuous relationship with us and the more policies you hold means a higher discount for you. This discount is determined for each individual customer and applied across all your eligible policies.

The way in which your Loyalty Discount is applied to your premium is set out in the 'How we calculate your Boat premium' section of this guide on page 4.

Refer to the following Loyalty Discount table to see what discount you will be entitled to.

Years of Relationship	25+	12.5%	15%	17.5%	20%	22.5%	25%
	10-24	10%	12.5%	15%	17.5%	20%	22.5%
	5-9	7.5%	10%	12.5%	15%	17.5%	20%
	3-4	5%	7.5%	10%	12.5%	15%	17.5%
	0-2	0%	5%	7.5%	10%	12.5%	15%
		1	2	3-4	5-7	8-9	10+
		Policy Count					

If you have held a continuous relationship with us for 25+ years your Loyalty Discount will not decrease, even if you reduce the number of eligible policies you hold with us.

To receive a Loyalty Discount, the eligible policies must:

- ▶ be current; and
- ▶ have at least one common insured named on each policy.

On existing policies the discount applies from the date of the next renewal after you qualify.

On renewal your Certificate of Insurance will show a list of what policies contributed to your Loyalty Discount.

The following is a list of the policies that:

- ▶ contribute to your policy count
- ▶ are eligible to receive the Loyalty Discount.

## Government charges

Boat Insurance policies are subject to stamp duty imposed by state and territory governments in addition to GST.

Government Charges	Boat insurance
GST	10%
Stamp Duty	11%

## Basic excess

A basic excess is an amount you pay when you lodge a claim. The amount of basic excess payable is shown on your current Certificate of Insurance. Choosing a higher basic excess reduces your premium.

If you make any type of claim you must pay any Basic excess that applies. The Basic excess amounts for Boat insurance are:

Agreed Value	Basic excess
\$5,000 or under	\$100 or \$300
\$5,001 to \$30,000	\$200 or \$500
\$30,001 to \$100,000	\$500 or \$1,000
\$100,001 to \$1,000,000	\$1,000 or \$2,000
\$1,000,001 to \$1,500,000	\$5,000 or \$10,000
\$1,500,001 to \$2,000,000	\$7,000 or \$14,000

### When a Basic excess does not apply

You will not have to pay a Basic excess if:

- ▶ you make a claim for an incident that we agree was not the fault of you or the person who has your permission to use your boat, and
  - you can provide the name and residential address of the person we agree is responsible, and
  - the amount of the claim is more than the basic excess.
- ▶ your boat is attached to a motor vehicle you own and the motor vehicle and boat suffer accidental damage in the same incident, and:
  - you have lodged a claim for your boat under this Policy and we have agreed to pay this claim
  - your motor vehicle is comprehensively insured with us
  - you have lodged a claim under your Comprehensive Motor Vehicle Policy and paid any applicable excesses for this claim.

The No Claim Bonus on your Comprehensive Motor Vehicle Policy and the No Claim Bonus on your Boat Insurance Policy may be affected.

## How we calculate your Boat premium

### Step 1

First, we combine the pricing factors.

### Step 2

Once this amount is calculated we work out any No Claim Bonus you may be eligible for and apply this to the amount from Step 1.

### Step 3

Then, we add the cost of any optional covers you may have chosen and the cost of choosing to pay by the month.

### Step 4

We then work out any Loyalty Discount that you may be eligible for and apply that to the amount from Step 3.

### Step 5

To the amount in Step 4, we add applicable government charges to work out the premium you need to pay.
