

# SGIC Landlord Insurance Premium, Excess, Discounts & Benefits Guide SA

This SGIC Landlord Insurance Premium, Excess, Discounts & Benefits Guide should be read with the SGIC Landlord Insurance Product Disclosure Statement and Policy Booklet (PDS) Edition 2 dated 9 January 2012.

It applies to policies issued in South Australia with a commencement date or renewal effective date on or after 14th January 2013.

This guide provides further information about the cost of your insurance and excesses you may need to pay if you make a claim.

## How we work out your premium

Your insurance premium is based on the likelihood of a claim being made on your policy in the future. There are a number of factors we take into account when determining your premium.

We calculate your premium by combining the:

- ▶ pricing factors
- ▶ discounts
- ▶ cost of choosing to pay by the month, and
- ▶ government charges.

### Pricing Factors

Our experience shows us that there are a number of factors that are good indicators in determining risk, when calculating what your premium should be, for the cover we provide under the policy.

The following table contains the pricing factors we take into account to calculate your premium.

Pricing Factors	Buildings	Contents
The address of your rental property	✓	✓
The amount your rental property or its contents are insured for (your sum insured)	✓	✓
The age of the insureds	✓	✓
Whether your rental property is occupied	✓	✓
The construction materials of your rental property and its roof	✓	×
The year your rental property was built (see step 3 of 'How we calculate your premium')	✓	×
The type of alarm fitted to your rental property	×	✓
The basic excess amount you choose	✓	✓

## Discounts

The following discounts are available depending on the type of insurance you have chosen:

- ▶ Multi-Policy Discount
- ▶ Years of Insurance Discount
- ▶ No Claim Bonus

## Cost of choosing to pay by the month

If you choose to pay your premium by monthly instalments you pay more than if you pay annually.

The extra premium you pay will be shown on your current Certificate of Insurance.

## Government charges

Landlord Insurance policies are subject to stamp duty imposed by the state government in addition to GST.

Government Charges	Landlord Insurance
GST	10%
Stamp Duty	11%

## How we calculate your premium

### Step 1

First, we will combine the pricing factors.

### Step 2

Once this amount is calculated, we work out any Multi-Policy Discount or Years of Insurance Discount that you may be eligible for and deduct them from the amount from Step 1.

### Step 3

If your rental property is new, we work out any premium reduction that you may be eligible for and deduct this from the buildings premium amount from Step 2.

### Step 4

We then work out any No Claim Bonus you may be eligible for and deduct this from the amount from Step 3.

### Step 5

If you have both Landlord Buildings and Contents Insurance, we add your buildings premium and contents premium together.

### Step 6

Then, we add the cost of choosing to pay by the month.

### Step 7

To the amount in Step 6, we add the GST.

### Step 8

To the amount in Step 7, we add the Stamp Duty to work out the premium you need to pay.

## Excess

An excess is an amount you pay when you lodge a claim. You may have to pay more than one type of excess depending on your circumstances.

There are four types of excess

- ▶ basic
- ▶ rent default
- ▶ earthquake
- ▶ special

The amount and types of excess payable are shown on your current Certificate of Insurance.

In addition to the basic excess, we will also deduct four times the weekly rental amount that is listed on your rental agreement for the following events:

- ▶ Theft or attempted theft – by a tenant or their guest
- ▶ Vandalism or a malicious or intentional act – by a tenant or their guest

You do not have to pay an excess if you make a liability claim.

### Basic excess

If you make a claim you must pay any basic excess that applies. Choosing a higher basic excess reduces your premium.

You can choose one of the following amounts as your buildings basic excess or your contents basic excess:

\$100, \$200, \$300, \$500, \$750, \$1,000, \$2,000, \$3,000, \$4,000 or \$5,000.

If you have combined your Buildings Insurance and Contents Insurance under one policy, then you can choose a different basic excess for your buildings and contents. Then, if you make a claim for loss or damage under:

- ▶ your buildings insurance you must pay us the buildings basic excess, or
- ▶ your contents insurance you must pay us the contents basic excess, or
- ▶ both your buildings and contents insurance you only pay one basic excess, whichever is higher

### Rent default excess

If you make a claim for rent default only, you must pay a \$300 rent default excess instead of the buildings or contents basic excess. If you make a claim for more than just rent default, you will need to pay a \$300 rent default excess in addition to any other excess that applies.

In addition to the rent default excess, we will also deduct four times the weekly rental amount that is listed on your rental agreement.

### Earthquake excess

If under Buildings Insurance you make a claim for loss or damage as a result of the listed event of earthquake, you must pay the earthquake excess of \$500, or the buildings basic excess, whichever is higher.

### Special excess

We may apply a special excess for one of the listed events. A special excess is payable in addition to your buildings or contents basic excess.

## Discounts

We offer the following discounts that you may be entitled to:

- ▶ Multi-Policy Discount
- ▶ Years of Insurance Discount
- ▶ No Claim Bonus

The discounts you have will be shown on your current Certificate of Insurance.
