The section on pages 39, 49 and 54 of the PDS under the heading 'Your uninsured loss recovery' is deleted.

### **RECOVERY AGAINST ANOTHER PARTY (PAGE 72)**

The current wording under 'Recovery against another party' is deleted and replaced with the following wording:

#### **Recovery actions**

You agree that following provisions, which appear under the headings **Recovery action by us** and **Recovery action by you** apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

## Recovery action by us

You agree we may, if we choose to, take steps to recover from someone else we consider responsible for the incident:

- some or all of the loss or damage we cover; and/or
- some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.

You agree we may take such recovery action:

- without your consent;
- using your name; and
- whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:

- conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);
- conducting legal proceedings on your behalf as a member of representative or group proceedings;
- taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
- exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings; and/or
- entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You agree we may exercise all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

If we take recovery action in respect of some or all of the loss or damage which we do not cover, we may in our discretion, and to the extent permitted by law, require you to contribute to the costs we incur.

Of any amount recovered in recovery action we take, you agree we first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We then pay you the amount of loss or damage you have suffered in connection with the incident for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action.

You must not do anything which prejudices us in taking any recovery action. For example, you must not:

- assign your rights to anyone else; – for example, a tow truck driver or a smash repairer; or
- opt-out of any representative or group proceedings taken by us.

## Recovery action by you

You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in recovery action you take, you may first keep the amount of loss or damage you have suffered in connection with the incident and for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

You agree we may:

- take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- require you to cease recovery action that you have commenced.

# Key details about your policy

---

---

## Words with special meaning

Some words in this PDS have special meaning  
– see the Definitions on pages 90 - 91.

---

# Our agreement with you

## Your contract

Your policy is a contract between you and us and is made up of:

- your current Certificate of Insurance
- this Product Disclosure Statement and Policy Booklet (PDS), and
- any applicable Supplementary PDS.

## More than one insured

If there's more than one insured, then anything that any insured says, does or omits applies to all of the insureds.

Also, each insured can act on behalf of all the insureds as their agent.

## Certificate of Insurance

Your current Certificate of Insurance shows the type of insurance and any optional cover you have chosen under your policy. It also shows the period your policy covers – we only cover you for incidents that happen during that time.

## Receiving your policy documents

We are upgrading our systems so we can send policy documents electronically. Once we do that, you may choose to receive your policy documents:

- electronically – that is, by email, or
- by post.

If you tell us to send your policy documents to you electronically, then we will send them to the email address you give us rather than to your mailing address. Any policy documents we send to your email address are considered to have been received by you 24 hours from when we send them.

If you don't tell us to send your policy documents to you electronically, then we will send them by post to the mailing address you gave us.

You are responsible for making sure the email and mailing address we have for you is up to date. So, you need to tell us if you change your email or mailing address – see 'You change your contact details' on page 85.

## Limits, exclusions and conditions

Limits, exclusions and conditions may apply to the cover you have chosen:

- throughout this PDS, we set out any specific exclusions and conditions with the cover they apply to
- on pages 60 - 62, we set out the general exclusions that apply to your policy
- on pages 62 - 64, we set out your responsibilities when you are insured with us.

## Special conditions

We may impose special conditions on your policy that may exclude, restrict or extend cover for a person or a particular matter. For example, we may not cover you for some incidents like a bushfire, storm or flood if they cause loss or damage during a specific period which is also known as an embargo period.

Your current Certificate of Insurance shows any special conditions that apply to your policy.

## Value that applies to your vehicle

Depending on the type of insurance you've chosen, we may insure your vehicle for an agreed value or a market value — see Table 1.1 on page 12.

The value that applies to your vehicle is shown on your current Certificate of Insurance.

### Agreed value

The agreed value is the amount we agree to insure your vehicle for. It includes:

- any modifications, options or accessories that are attached to your vehicle
- GST
- registration and any CTP insurance
- other on-road costs.

You should take that into account when you decide on your agreed value.

### Market value

If we insure your vehicle for market value, then we assess its market value when an incident happens.

To work out the market value, we look at various things which include:

- local market prices
- your vehicle's age and condition at the time, and
- any modifications, options or accessories that are attached to your vehicle.

The market value includes:

- GST
- registration and any CTP insurance
- other on-road costs.

**Table 1.1: Vehicle insurance value**

Type of insurance	Agreed value	Market value
 Comprehensive Plus Insurance	✓	X
 Comprehensive Insurance	✓	✓
 Third Party Fire & Theft Insurance	X	✓ (up to \$10,000)
 Third Party Property Damage Insurance	Doesn't apply	

## Your premium

In return for paying your premium, we provide the cover you have chosen.

Your premium is based on the likelihood of a claim being made under your policy in the future. When we work out your premium, we look at a range of factors including:

- your vehicle and where you keep it
- the age of the insureds and drivers
- the way you use your vehicle – for example, private or business use.

For more information about how we work out your premium, the excesses that may apply to your policy and any discounts you may be eligible for, see our Premium, Excess & Discounts Guide.

## Paying your premium

You must pay your premium on time. You can pay your premium:

- annually in one lump sum, or
- in monthly instalments by direct debit from an account or credit card you nominate (if we offer this option to you).

Your current Certificate of Insurance shows the amount you need to pay and the due date for your annual premium or for each monthly instalment.

If you pay annually, you can pay through any of these ways:

Go to [sgjc.com.au/payments](https://sgjc.com.au/payments) or to our Self Service Centre and have your credit card ready

Contact your financial institution to arrange payment from your account

Call 131 144 and have your credit card ready

Pay by cash, EFTPOS, cheque or credit card at any local branch or Australia Post Office

Send your cheque or credit card details to the address shown on your notice

## What happens if you don't pay on time

When you first take out insurance, you need to pay your annual premium or first monthly instalment by the due date. If you don't pay on time, then we will cancel your policy.

A monthly instalment is unpaid if it can't be deducted from your nominated account or credit card.

If an ongoing monthly instalment is unpaid for:

- 14 days or more after its due date, then we will refuse a claim for incidents that take place during that time
- 30 days after its due date, then we will automatically cancel your policy on the 31st day without giving you notice.

## 21 day cooling-off period

You can tell us to cancel your policy within 21 days from:

- the date we issue your policy when you first contact us – for example, if you call us on 3 May to set up a new policy from 10 May, then your 21 day cooling-off period starts from 3 May as that's when we issued your policy
- the start date of the policy period that applies when you renew your policy.

If you tell us to cancel your policy within those times, we'll refund the premium you paid us in full. However, we can only do that if you haven't made a claim on your policy.

## Assigning rights and appointing a representative

### Assigning your rights

You must not assign any benefits, rights or obligations under your policy unless you get our written consent first.

### Appointing someone to represent you

If you want to appoint someone to represent you, then you need to tell us and we need to agree. For example, you ask someone to manage your policy or a claim. For more details about who you can appoint to manage your claim, see page 64.

## Governing law and GST

### Governing law

This contract is governed by the law of the Australian State or Territory where you keep your vehicle.

### GST

All dollar values described in your policy include GST, unless we say they don't.

## Your uninsured loss recovery

If we pay your claim, then we may attempt to recover that amount from someone else who is at fault for the incident. If we do that, we may agree to recover your uninsured loss from them at the same time.

Your uninsured loss represents what you suffer in the incident which is not covered by your policy. For example, if you hire a car while your vehicle is being repaired after a crash and your policy doesn't cover the hire car costs.

### Covered

- the steps to attempt to recover your uninsured loss.

### Not covered

- recovery of loss or damage:
  - that is covered by another insurance policy
  - for personal injury or death.

### Conditions

- we must agree to attempt to recover your uninsured loss
- you must
  - tell us about your uninsured loss and ask us to try to recover it for you, and
  - give us any documents you have that prove your uninsured loss
- if we ask you, you must sign an agreement which outlines the terms that apply when we recover your uninsured loss on your behalf
- you may need to contribute your share of any legal or recovery agent's costs
- from any amount we recover, we will:
  - first deduct the amount we paid to settle your claim, and then
  - pay you for your uninsured loss from what's left over.

# Third Party Property Damage Insurance

---

Third Party Property Damage Insurance is the basic Motor Insurance cover you can have for your vehicle. It's also available for motorcycles.

The table on the right summarises your cover. Full details about your cover are set out in this section.

---

In this section, we outline what you're covered for under Third Party Property Damage Insurance and any specific limits, exclusions and conditions that apply to your cover.

General exclusions also apply. If you don't meet your responsibilities you may put your claim or cover at risk – see Section 7.

How we settle a claim is set out in Section 8.

--------------------	----

## Other benefits

Your policy covers loss or damage that is caused by the use of your vehicle to someone else's property – see 'Liability cover' on pages 55 - 58.

However as part of your cover, we may also provide the benefits that are set out in this section during the policy period.

For example, under 'Crash with at fault driver' we may pay up to \$5,000 for any damage to your vehicle if you have a crash with another vehicle and the driver is not insured, is at fault and you can identify them.

---

### Crash with at fault driver

If you have a crash with another vehicle during the policy period and the driver of that vehicle is not insured and is at fault for the crash. Also, you need to identify the driver as set out below.

#### Covered

- up to \$5,000 in total for the damage to your vehicle.

#### Conditions

- the driver of the other vehicle is not insured for the damage to your vehicle
- we must agree the crash was entirely the other driver's fault
- you must give us the:
  - registration number of the other vehicle, and
  - name and residential address of the other driver
- the cost of the damage to your vehicle is more than the basic excess that applies to your policy.

**You don't need to pay any excess if you make a claim under this benefit**

## Temporary cover

If you sell or give away your vehicle and replace it with another one, then we provide temporary cover under your policy for your replacement vehicle.

### Covered

- temporary cover for your replacement vehicle on the same terms that are set out in your policy for 14 days from when you sold or gave away your vehicle.

### Conditions

- we cover your replacement vehicle permanently if:
  - you ask us to cover it within the 14 day temporary cover period
  - you give us full details for the vehicle
  - we agree to insure it, and
  - you pay us any additional premium.

## Towing

If we pay your claim under 'Crash with at fault driver' – see page 52 – and your vehicle needed to be towed because it was not drivable or unsafe to drive.

### Covered

- the reasonable cost to tow your vehicle from where the incident happened to whichever place we decide is closer:
  - a repairer or other place we recommend, or
  - a safe place.

### Conditions

- we only pay for one tow. If your vehicle needs to be towed more than once, we decide which tow to pay for.

## Your uninsured loss recovery

If we pay your claim under 'Crash with at fault driver' – see page 52 – then we may attempt to recover that amount from someone else who is at fault for the incident. If we do that, we may agree to recover your uninsured loss from them at the same time.

Your uninsured loss represents what you suffer in the incident which is not covered by your policy. For example, if you hire a car while your vehicle is being repaired and your policy doesn't cover the hire car costs.

### Covered

- the steps to attempt to recover your uninsured loss.

### Not covered

- recovery of loss or damage:
  - that is covered by another insurance policy
  - for personal injury or death.

### Conditions

- we must agree to attempt to recover your uninsured loss
- you must
  - tell us about your uninsured loss and ask us to try to recover it for you, and
  - give us any documents you have that prove your uninsured loss
- if we ask you, you must sign an agreement which outlines the terms that apply when we recover your uninsured loss on your behalf
- you may need to contribute your share of any legal or recovery agent's costs
- from any amount we recover, we will:
  - first deduct the amount we paid to settle your claim, and then
  - pay you for your uninsured loss from what's left over.

# Liability cover

---

We provide liability cover for the 4 types of insurance that are set out in this PDS.

In this section, we describe the liability cover you have under your policy and any specific limits, exclusions and conditions that apply to your cover.

General exclusions also apply. If you don't meet your responsibilities you may put your claim or cover at risk – see Section 7.

How we settle a claim is set out in Section 8.

---

---

For example, you may be liable if you crash your vehicle into someone's front fence.

  - passengers in your vehicle
  - your employer or business partner when you use or are in charge of your vehicle as their employee or business partner or when another employee or business partner has your permission to use your vehicle

- if you borrow a substitute vehicle while your vehicle is being repaired, serviced or has broken down, then we also provide liability cover for any loss or damage caused by the use of the substitute vehicle.

  - someone must make a claim against you or any person we cover for the incident, and
  - you or any person we cover must lodge a claim with us for liability cover
- we must agree to pay for any legal or other costs before they are incurred.

## What happens when you make a liability claim

When a person we cover makes a claim and are entitled to liability cover, we will:

- act for them or arrange for a lawyer to represent them

- defend the claim in a court or tribunal.

We will decide whether to defend or resolve a claim and how much to pay to resolve a claim.

**For an example of how we settle a claim, see page 81**

# General exclusions and your responsibilities

---

There are certain situations when we won't provide cover under your policy.

This section outlines the general exclusions that apply to all cover we provide under your policy.

The general exclusions also apply to your liability cover, unless we say they don't.

This section also outlines your responsibilities. You may put your insurance claim or cover at risk if you do not meet your responsibilities to us.

# General exclusions for all cover

The exclusions set out in this section apply to all cover under your policy.

## Other exclusions and conditions

**There are specific limits, exclusions and conditions that apply to some parts of your cover. These are described throughout this PDS with the cover they relate to.**

If you were not the driver, we may still cover loss or damage to your vehicle if you can satisfy us that you had no reason to suspect that any of the exclusions shown applied to the driver. However, we won't provide liability cover for the driver and may try to recover money from them.

## Your responsibilities

When you take out a policy with us or make a claim, you have certain responsibilities that are set out in this section. These responsibilities also apply to any person that is covered by your policy.

If you don't meet your responsibilities, we may refuse to pay your claim or reduce what we pay for your claim. We may also decide to cancel your policy.

## Tell us about changes that affect your vehicle.

You must tell us if you:

- change the address where you normally keep your vehicle
- change the way you use your vehicle
- use your vehicle for a driver education course
- hire out your vehicle
- use your vehicle for a motor vehicle club bash or charity event.

## Settle claims and make admissions

You must not:

## Co-operate

You must:

- be truthful and frank in any statement you make to us

  - immediately sending us any communications that you receive about any incident – for example, emails, letters, notices or court documents
  - being interviewed by us or our representatives

## Prevent further loss or damage

If an incident happens, you must do everything reasonable to prevent further loss or damage to your vehicle.

## Repairs

## Inspections and quotes

If we ask you, you must:

- let us or our representatives inspect your vehicle at any time at a place we choose
- allow us to get quotations from any repairer or supplier.

If we need to move your vehicle to do this, we will pay for it.

We won't cover the cost for:

- inspections or reports authorised by you without our consent
- dismantling fees, quoting fees or administration fees.

## **Proof of loss and ownership**

When you make a claim, we may ask you to provide certain documents to:

- the percentage of any input tax credit you have claimed or are entitled to claim on the premium you paid.

# Claims and what we pay

# 8

This section provides information about how we process your claim and what we pay when you make a claim for loss or damage to your vehicle. It also includes some examples of how we pay claims including liability claims.

---

When you need to make a claim, we want to help you as much as we can. We're available 24 hours a day, 7 days a week:

# Making a claim

Here's a summary of what happens when you make a claim for loss or damage to your vehicle and the key things we consider to work out what to pay for your claim. When you make a claim, we will:

- ask you some questions over the phone
- tell you what you need to send us to support your claim
- tell you if you need to pay any excess and how to pay it.

## Step 1

### Collecting the details

You need to collect these details if they apply to the incident:

- for all drivers:
  - full name
  - residential address, and
  - contact number
- for all vehicles that are involved:
  - make and model
  - registration number, and
  - insurance details

## Step 2

### Lodging your claim

Contact us 24 hours a day, 7 days a week:

- [sgic.com.au](https://www.sgic.com.au)
- **1300 654 903** – Comprehensive Plus Insurance
- **133 233** – all other policies

## Step 3

### Towing and inspections

- if needed, we can arrange towing for your vehicle after an incident
- we may need to inspect your vehicle and arrange quotations from any repairer or supplier

## Step 4

### Assessing your claim

To assess your claim, we look at the following:

- do we cover the incident that caused the loss or damage?
- is your vehicle insured for agreed value or market value?
- is your claim affected by:
  - any specific limits, exclusions and conditions shown throughout this PDS?
  - any general exclusions?
  - not meeting your responsibilities?

## Step 5

### Settling your claim

We will choose to settle your claim through any of these ways:

1. Repair your vehicle
2. Pay you the reasonable cost to repair your vehicle
3. Pay your claim as a total loss
4. Pay for other benefits

## Step 6

### Excesses and other deductions

To settle your claim:

- you must pay any excesses that apply
- if we pay your claim as a total loss, we deduct any of these amounts that apply:
  - unpaid premiums
  - unused registration and CTP insurance premium
  - salvage value of your vehicle

## What we pay for

If we agree to cover your claim, then we will:

- decide whether to repair your vehicle or pay you the reasonable cost of repairs or pay you the agreed value or market value that applies for it
- pay for any other benefits that apply to your policy
- pay for any optional covers you have added to your policy
- deduct any amounts that apply to your policy and claim (for example, excess, unpaid premium or unused registration and CTP insurance premium).

## The most we pay

Depending on the type of insurance you've chosen, the most we pay is:

- the agreed value of your vehicle shown on your current Certificate of Insurance, or
- your vehicle's market value.

If you have Third Party Fire & Theft Insurance, then the most we pay is your vehicle's market value up to \$10,000.

If you have Third Party Fire & Theft Insurance or Third Party Property Damage Insurance and make a claim under 'Crash with at fault driver', then the most we pay is the market value of your vehicle up to \$5,000 – see pages 45 and 52.

# How we settle your claim

We will choose to settle your claim through any of these ways:

## 1. Repair your vehicle

We can arrange for one of our partner repairers to repair your vehicle. Or, you can choose your own repairer. See page 73 for what happens when we decide to repair your vehicle.

## 2. Pay you the reasonable cost to repair your vehicle

We can choose to pay you the reasonable cost to repair your vehicle.

We determine the reasonable cost to repair the damage by looking at a range of factors. That may include quotes from your nominated repairer and other repairers and reports from our assessors.

If you choose a repairer that is not part of our network of repairers, then we may choose to settle your claim by paying you the reasonable cost to repair your vehicle rather than authorising repairs to it.

## 3. Pay your claim as a total loss

We may do this when we consider your vehicle to be a total loss or when we choose to do so. Table 8.1 on page 70 shows what we pay for a total loss depending on the type of insurance you've chosen or cover you have.

If we pay your claim as a total loss, then your policy ends and you don't get a refund of your premium. Table 8.1 on page 70 shows whether you keep your vehicle or we keep it.

For examples  
of how we  
settle various  
claims, see  
pages 78 - 82

## 4. Pay for other benefits

If we agree to pay you under any other benefits that apply, we will choose the method of settlement and can nominate the repairer or supplier.

We may decide to repair or replace the loss or damage or pay you the reasonable cost that applies to your claim. We only pay the cost to repair or replace the loss or damage up to the maximum amount that applies under a benefit.

## What happens to your property

### Recovered vehicles

If we settle your claim as a total loss for a stolen vehicle which is later recovered, then we usually keep your recovered vehicle. However, in some cases, we may let you keep it – see Table 8.1 on page 70.

### Damaged property

If we settle your claim for a damaged item, then it becomes our property unless we let you keep it.

**Table 8.1: What we pay for a total loss**

## Credit provider's rights

You must tell us if you have used all or part of your vehicle as security for a loan with a credit provider. Your credit provider may be a bank, credit union or other type of lender.

This may also apply if you lease or have a hire purchase agreement on your vehicle.

We note your credit provider on your current Certificate of Insurance.

When you have a noted credit provider:

- we treat your vehicle as being under a finance arrangement
- we treat any statement, act, omission or claim by you as a statement, act, omission or claim by the credit provider
- we may recover any payment either in your name or the credit provider's name.

## Payments to the credit provider

If we decide to pay you for a claim on your vehicle that is under a finance arrangement, we will first pay the credit provider the lower of these amounts after deducting any excess and other deductions that apply:

- the agreed value or market value
- the cost of repairing your vehicle
- the balance owing to the credit provider under the finance arrangement.

If the credit provider is entitled to the salvage of the vehicle, then we will deduct the estimated salvage value of the vehicle from any amount that we pay.

However we will only pay the credit provider if they:

- are noted on your current Certificate of Insurance
- give us any help we ask for.

If we make a payment to a credit provider, then that payment discharges our obligation to you under your policy for the amount paid.

If we decide to settle your claim as a total loss, then before we settle your claim:

- we will check the Personal Property Securities Register to confirm whether any money is owing on your vehicle
- you must settle any finance arrangement over your vehicle and remove it from that register.

## Businesses registered for GST

Before we make a payment, we deduct an amount equal to your input tax credit entitlement. This applies to any amount we pay, including where we state that an amount will include GST.

Any payment we make to settle your claim will be considered to be made in full even if we have reduced the amount we pay as described above.

## Recovery against another party

We may recover the amount we paid to settle your claim from another party – for example, when someone else is responsible for the loss or damage to your vehicle.

If we do this:

- we will use your name in any recovery action
- we will decide how to go ahead with and settle the recovery action
- you or anyone else we cover must tell us if you want us to attempt to recover your uninsured loss – that is, any loss you suffer in the incident which is not covered by your policy
- you must give us the:
  - registration number of the other vehicle, and
  - name and residential address of the at fault driver.

# Repairing your vehicle

If we choose to settle your claim by repairing your vehicle — see Option 1 on page 69 — then we decide the best way to repair the damage.

You must get our approval before starting any repairs to your vehicle.

## Choosing a repairer

You can choose any repairer you like to fix your vehicle as long as they have the necessary licences to do the repairs.

Once you've chosen a repairer, we will tell you where to take your vehicle or arrange for it to be towed to the repairer.

We are not responsible for making sure the repairer can complete the repairs when it suits you. Also, we don't cover any additional costs that may result if the repairer is delayed or has problems getting parts.

## Our network of repairers

We have an extensive network of partner repairers across Australia who meet our high quality standards. If you choose a repairer that is part of our network of repairers to fix your vehicle, then we'll manage the whole repair process for you — with minimal fuss — so you don't have to worry.

## Inspections

We may need to inspect your vehicle. If so, we will:

- tell you where you need to take it, or
- arrange for it to be towed to a repairer or other place we choose.

## Lifetime guarantee on repairs

If we authorise and pay for a repairer to fix your vehicle, then we provide a lifetime guarantee for the workmanship of those repairs. That means we cover the cost to fix any fault caused by poor workmanship of repairs we authorised for the lifetime of your vehicle.

However, we won't cover:

- repairs you authorised yourself
- repairs you arrange after we pay you the reasonable cost to repair your vehicle — that is, we cash settle your claim
- loss or damage to or failure of any electrical or mechanical appliance or machine
- deterioration or wear and tear caused:
  - over time
  - by using your vehicle
  - by exposing it to the elements.

**If we authorise and pay for a repairer to fix your vehicle, then we provide a lifetime guarantee for the workmanship of those repairs**

We decide on how to fix any fault caused by poor workmanship.

## Parts used to repair your vehicle

Generally, we use the following parts to repair your vehicle.

If your vehicle is:

- under 3 years, we use genuine new parts (when reasonably available)
- 3 years or older, we use:
  - genuine new parts, or
  - quality non-mechanical reusable parts.

Regardless of your vehicle's age, we may use non-genuine parts for windscreens, sunroofs, window glass, radiators and air conditioning components.

We only use quality non-mechanical reusable parts when it:

- is consistent with the age and condition of your vehicle
- does not affect the safety or the structural integrity of your vehicle
- complies with your vehicle manufacturer's specifications and applicable Australian Design Rules
- does not adversely affect the way your vehicle looks after it has been repaired
- does not void or affect the warranty provided by your vehicle's manufacturer.

## Unrepaired damage

If your vehicle had any unrepaired damage before an incident, then you may need to contribute to the repair costs. You need to do that when the unrepaired damage results in us having to repair more areas of your vehicle than:

- were affected by the incident, or
- we needed to replace.

For example, your bonnet is only partly damaged in a crash and can be repaired. The repairer notices that the bonnet has unrepaired hail damage. If there wasn't any hail damage, then we would only need to repair the damaged area of the bonnet. However because of the unrepaired hail damage, we must replace the whole bonnet. So, we will ask you to contribute to the cost of the repairs.

### **The Motor Vehicle Insurance and Repair Industry Code of Conduct**

**This Code aims to promote transparent, informed, effective and co-operative relationships between smash repairers and insurance companies based on mutual respect and open communication. We support the Code and are committed to continually reviewing our operations to make sure we comply with it.**

## Undamaged areas

We don't repair undamaged areas of your vehicle to create a uniform appearance.

For example, if the incident causes damage to the right panel, then we will only pay to respray the right panel. We won't pay the cost to respray the rest of the vehicle.

## Excesses and other deductions

When you make a claim, you must pay the excesses that apply. If we pay your claim as a total loss, we will deduct other amounts to settle your claim.

### Excesses

An excess is an amount you contribute towards the cost of your claim.

Your current Certificate of Insurance shows the amount and types of excesses that apply to your policy.

The type of excess you need to pay depends on what your claim relates to and who was driving your vehicle. Also, you may need to pay more than one excess.

Table 8.2 shows the types of excesses that may apply to your claim. In some cases, you may not need to pay any excess — see 'When you don't need to pay an excess' on page 76.

**Table 8.2: Excesses that apply to your claim**

Type of excess	
<b>Basic</b>	Applies to most claims
<b>Age</b>	An age excess applies in addition to the basic excess when the driver is: <ul style="list-style-type: none"> <li>• under 25 years (a higher age excess applies if the driver is not named on your policy)</li> <li>• 25 years or older with no more than 2 years driving experience after obtaining a provisional or probationary licence</li> </ul>
<b>Special</b>	Any special excess is outlined in your current Certificate of Insurance and applies in addition to any other excess

## Claims that are less than your excess

We only accept a claim if the total amount you are claiming for is more than any excesses that apply to your claim.

For example, we will accept your claim for \$1,200 damage to your vehicle when your excess is \$650. But, we won't continue to process your claim if the damage to your vehicle is \$500.

## Paying your excess

When you make a claim, you must pay any excess that applies to:

- us, or
- the repairer or supplier.

We will tell you who to pay your excess to. You must pay any excess that applies before we settle your claim.

## Changing your basic excess

You can reduce your premium by choosing a higher basic excess if you have:

- Comprehensive Plus Insurance
- Comprehensive Insurance.

If you do that, then 'Choice of Excess' is shown on your current Certificate of Insurance.

## When you don't need to pay any excess

You don't need to pay any excess that applies under your policy if:

- you make a claim for an incident that we agree was not in any way your fault or the fault of any other person we cover, and
- you can give us the name and residential address of the at fault driver.

## Other deductions

If we pay your claim as a total loss, then we deduct other amounts to settle your claim.

### Unpaid premiums

If you currently pay your premium by monthly instalments, then before we pay your claim we need to deduct:

- any premiums that are due but haven't been paid
- the monthly instalments that cover the rest of your policy period.

### Unused registration and CTP insurance

The amount you pay to register your vehicle or for any CTP insurance forms part of your vehicle's value. So if we pay your claim, we will deduct any unused registration costs and CTP insurance premium.

To get a refund, you need to contact your:

- relevant motor registration authority
- CTP insurer if your vehicle is registered in NSW  
(in NSW, CTP insurance is also known as a Greenslip).

### Salvage value

In most cases when we pay your claim, we usually keep your vehicle. However if we let you keep your damaged vehicle, then we'll deduct its estimated salvage value before we pay your claim.

For more details, see Table 8.1 on page 70.

# How we pay claims – some examples

In this section, we outline examples of how we may pay some claims.

These claims are based on certain scenarios. Any amount we pay for your claim depends on the details that apply to your situation.

## Claim 1: Repairing your vehicle

You have a crash with another vehicle. Your vehicle is towed from the scene of the accident to a repairer. The towing cost is \$350.

We decide to repair your vehicle. The cost of the repairs is \$2,250.

You decide to hire a car for 6 days while your vehicle is being repaired. You pay \$75 a day for the hire car.

Policy type	Comprehensive Insurance
Agreed value	\$25,000
Optional cover for Hire car	Not taken
Basic excess	\$650

### How we settle your claim

We pay the towing company \$350.

You need to pay the repairer your basic excess of \$650.

We pay the repairer \$1,600 (that is, \$2,250 - \$650).

We don't pay for your hire car as you didn't take the optional cover 'Hire car' – see page 40.

**Claim 2: Total loss**

Your 22 year old son is driving your vehicle and has a crash with another vehicle. He was named as a driver on your policy.

Your vehicle is towed from the scene of the accident to a repairer. The towing cost is \$300. We decide that your vehicle is a total loss. Also, when we assess the incident, we find that your son is at fault.

You pay your premium by monthly instalments from your bank account.

Policy type	Comprehensive Plus Insurance
Agreed value	\$14,200
Basic excess	\$650
Age excess	\$400
Unpaid monthly instalments	\$55 per month x 4 unpaid instalments

**How we settle your claim**

We pay the towing company \$300.

We pay you \$12,680 as follows:

Agreed value	\$14,200
Less basic excess	– \$650
Less age excess	– \$400
Less unused registration and CTP insurance premium	– \$250
Less remaining unpaid monthly instalments	– \$220
<b>TOTAL</b>	<b>\$12,680</b>

You arrange your registration and CTP insurance refund of \$250.

Your policy ends. We keep your vehicle.

### Claim 3: Stolen vehicle with new replacement vehicle

Your vehicle is stolen and not recovered. It was only 7 months old.

You choose to replace your vehicle with a new one under 'New replacement vehicle' - see page 33.

We arrange a hire car for you.

Policy type	Comprehensive Insurance
Agreed value	\$32,000
Basic excess	\$800

#### How we settle your claim

We arrange for:

- your replacement vehicle
- new registration and CTP insurance for that vehicle
- you to have a hire car until we settle your claim for up to 21 days.

You need to:

- pay us your basic excess of \$800
- apply for your registration and CTP insurance refund and give it to us or to the car dealer.

Your policy ends. If you want us to cover your replacement vehicle, you need to take out a new policy:

133 233

[sgic.com.au](http://sgic.com.au)

**Claim 4: Liability claim for damage to someone else's property**

You lose control of your vehicle and crash into someone's front fence and garden. A court decides that you are liable to pay \$8,000 for the claim made against you by the home owner.

Policy type	Third Party Property Damage Insurance
Liability cover	\$20 million
Basic excess	\$650

**How we settle your claim**

You need to pay us your basic excess of \$650.

We pay the home owner \$8,000.

We pay our lawyers \$1,500 to act on your behalf in the court proceedings.

**Claim 5: Crash with at fault driver**

You have a crash with an uninsured driver. You give us the vehicle registration details and driver name and address.

We agree that the incident is entirely the other driver's fault. We decide to repair your vehicle under 'Crash with at fault driver' – see page 52.

The cost of the repairs is \$4,500.

Policy type	Third Party Property Damage Insurance
Market value (assessed at time of incident)	\$8,500
Basic excess	\$650

**How we settle your claim**

We pay the repairer \$4,500.

You don't need to pay your basic excess.

### **Claim 6: Excess greater than claim amount**

You reverse into your fence and cause some damage to the back of your vehicle.

We assess the damage. The cost of the repairs is \$500.

Policy type	Comprehensive Insurance
Basic excess	\$650

#### **How we settle your claim**

As your basic excess is \$650, we stop processing your claim because your excess is more than the repair costs for the damage to your vehicle.

# Other information you need to know

---

When you take out insurance with us, you need to know some other important things like the changes you can make to your policy, how we resolve a complaint and how we manage your personal information.

# Changes to your policy

This section describes the changes that you or we can make to your policy.

## Additional premium or refund less than \$15

When a change is made to your policy, you may need to pay us an additional premium or we may need to refund part of your premium.

If the additional premium we need to charge you is less than \$15, then we'll waive it – that is, you don't need to pay it. However, if the amount we need to refund is less than \$15, then we'll donate it to charity.

## Changes you can make

You may need to make a change to your policy or decide to cancel it.

To make a change to your policy or to cancel it:

Call  
133 233

Visit  
sgic.com.au

Visit  
a local branch

If we need to give you a refund, then we will only refund any unused premium back to the start date of your current policy period. To do that, you may need to give us any proof we ask for.

For example, 7 months ago you paid out the finance arrangement for your vehicle. However, you forgot to tell us when you renewed your policy 3 months ago. We will refund any extra premium that may have applied for the last 3 months – that is, back to the start date of your current policy period.

## You change your policy

You may want to make certain changes to your policy. This may include adding options to increase your cover, increasing your basic excess so you pay a lower premium or replacing your vehicle with a new one.

An additional premium may apply to the change. If you don't pay any additional premium by its due date, we may remove the change from your policy or cancel your policy. If we agree to make the change, we will:

- issue you with a current Certificate of Insurance
- refund any amount we owe you.

## You change your contact details

If you change your contact details – for example, your mailing or email address – then you must tell us straight away. If you don't, then under the law we may treat you like you received your policy documents even though you didn't.

We will continue to send your policy documents to your nominated address until you tell us to update your contact details.

## You want to cancel your policy

You may decide to cancel your policy because you sell your vehicle or you no longer want your policy.

If you tell us to cancel your policy and you:

- paid an annual premium, we will refund your unused premium after we deduct:
  - an amount that covers the period that you have been insured for, and
  - a cancellation fee of \$30 (plus GST and any other government charges that apply)
- pay your premium by monthly instalments, we will deduct:
  - any unpaid monthly instalments that are due, and
  - a cancellation fee of \$30 (plus GST and any other government charges that apply)

You authorise us to deduct those amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

If you tell us to cancel your policy within the 21 day cooling-off period, we'll give you a full refund – see page 14.

**If you sell or give away your vehicle and replace it with another vehicle, then we may cover the replacement vehicle under 'Temporary cover'**

## Changes we can make

We may need to cancel your policy or give you written notice about your policy.

### We cancel your policy

There may be cases when we need to cancel your policy.

We will only do that if the law allows it.

If we cancel your policy, we will:

- give you written notice, if required
- refund your unused premium after we deduct an amount that covers the period that you have been insured for.

However, if you're currently paying your premium by monthly instalments, then you must pay us any unpaid monthly instalments that are due.

You authorise us to deduct those amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

### We give you written notice

We may need to give you written notice about your policy. For example, to let you know that we won't be renewing your policy or that we're changing your policy conditions.

We will give you written notice through one or more of these ways:

- give it to you in person
- deliver it by fax or electronically (where allowed by law)
- post it to your last known address
- send you an electronic link so you can access the notice (where allowed by law).
